

# Become a Teacher!

Join the Satellite Education Program with Southern Oregon University and Southwestern Oregon Community College

## Program Highlights

- Earn an AAOT degree from Southwestern
- Earn a Bachelors of Science degree from Southern Oregon
- Earn an elementary teaching license for the state of Oregon
- Earn a 2nd BS degree with teaching license if you already have a BS or BA

## Home Community

Courses taught through a variety of formats

- Face to face with experts in the local education community
- Online—SOU Faculty
- Hybrid—half the course online and half in person at SOU (one Saturday a month)

## Flexible Program Plan

- Full Time: usually completed in four years
- Part Time: usually completed in five years
- Student Teaching in your home community with local Supervisor/Guide Leader

## Scholarship and Grant Funding

- Grow Your Own Grants through South Coast Education Services District and SOU
- Varied scholarships through SOU including merit-based for Transfer students
- Financial Aid funded through SOU
